

## Education Planner Pack

This one-on-one career coaching package is great for current high school students or youth who have recently left school (secondary or post-secondary) and are looking for direction in their career and education planning.

What's included?

- Four hours of one-on-one coaching through Zoom
- A comprehensive report that summarizes sessions and provides recommendations

### Program Outline:

**Step 1** – identify skills, strengths, interests and potential career options

- Discuss classes, interests, hobbies, current experience and knowledge of work, etc.
- Use 2-3 assessment tools to match with potential careers

**Step 2** – research careers and related education and training options

- Explore quality information on the labour market and graduate employment outcomes
- Find and follow real-world career stories
- Learn about informational interviews and how to arrange and conduct them
- Research post-secondary institutions, programs and courses

**Step 3** – make a plan for ongoing career development

- Devise a success plan for post-secondary studies
- Develop an awareness for long-term educational and certification requirements
- Understand professional associations and networking groups

**Price: \$557 (includes taxes)**

### Tips for success! Participants should:

- Be prepared to be challenged and to participate actively.
- Be as open and honest as you can. Confidentiality is guaranteed.
- Career coaching will help you get where you want to go, but you must be willing to do the work.

Please note: parents are strongly discouraged from participating in coaching sessions with their child.
